

## Step-by-Step Guide to Choosing/Changing Subtitles on ICE-HBV FAQ YouTube Videos

### Step 1: Open the YouTube Video

1. Open your web browser and go to [YouTube](https://www.youtube.com).
2. Search for the [ICE-HBV YouTube Channel](#) and select the FAQ video you want to watch.

### Step 2: Access the Subtitle Options

1. Once the video is playing, locate the control bar at the bottom of the video screen.
2. Click on the "CC" (Closed Captions) button. This button toggles the subtitles on and off.

### Step 3: Open Subtitle Settings

1. Next to the "CC" button, click on the "Settings" gear icon.
2. A menu will appear. Click on "Subtitles/CC" from the list.

### Step 4: Choose or Change Subtitles

1. A list of available subtitle languages will appear.
2. Click on the language you prefer. The subtitles will change to the selected language.

### Step 5: Customize Subtitle Appearance (Optional)

1. Go back to the "Settings" menu and click "Subtitles/CC."
2. Select "Options" to customize the appearance of the subtitles.
3. Adjust font, size, color, background, and opacity to your preference.

### Step 6: Turn Off Subtitles

1. To turn off subtitles, click the "CC" button again.
2. Alternatively, go to the "Settings" menu, select "Subtitles/CC," and choose "Off."
